J. L. FREE, TREASURER  
STANLEY L. MICHAEL, SECRETARY

717 WILLIAMSON BUILDING

CLEVELAND

Sept

Sept,  
15th,  
1914.

R. A. Falconer,  
Pres. Toronto University,  
Toronto, Ont,

Dear Sir:-

Canadians who are residents of the city of Cleveland organized last spring The Canadian Club of Cleveland. There are, it is said, between 20,000 and 25,000 Canadian born persons in this city and we expect our club membership to mount into the hundreds when they become thoroughly organized.

As president of the organization and on behalf of Canada residents of this city I desire to invite you to be the guest of the club at a complimentary banquet to yourself to be held about the middle of October. We would leave the matter of the date entirely in your hands, the only requirements being that we could secure an open date at the Statler Hotel, where the banquet would probably be held, Any time between Oct. 5th, and 22nd would do excepting Fridays.

Cleveland is a city of about 700,000 inhabitants, We are sixth city in size in North America and will probably be fourth when the next federal census is taken,

It is the unanimous wish of our members that you come to Cleveland and address us. We would be glad to have your name on our subject, knowing as we do, that it will be of intense interest to us and be excellently handled.

#2.

We expect between 300 and 400 to be in attendance at the banquet and I can assure you that we would give you a royal welcome.

Last Spring the Hon, George E. Foster, came to Cleveland and addressed our club just after it was organized, We had a splendid meeting and Mr. Foster, I believe, was deeply impressed with the reception he received.

Will you not consent to be with us sometime during the month of October as our guest at a banquet which I feel sure will be an exceptionally important event in Cleveland. We would, of course, expect to pay whatever expenses the trip would entail.

Will you kindly let me know as soon as possible if you will consent to be with us so that we may make the necessary arrangements for the event?.

Respectfully yours,

Stanley L. Whitchael,

SLM/S.

President.

September 18th, 1914

Stanley L. McMichael, Esq.,  
717 Williamson Building,  
Cleveland, Ohio.

Dear Sir:

I have your letter of September 15 inviting me to be the guest of the Canadian Club of Cleveland at a complimentary banquet. I appreciate your invitation very much, and I should like exceedingly to go, but I am afraid that my engagements during the month of October are such that I cannot fit in a visit to Cleveland. I have to be home while the session is beginning to get under way. I am to be at a celebration at Brown University in the middle of the month, and must be back here for the last week. If, however, at some other date during the winter you should wish me to go to Cleveland, I shall endeavour to do so. Let me assure you again of my appreciation of the invitation and believe me to be,

Yours sincerely,

President.

Office of the President,  
717 Williamson Building,  
Cleveland, O. 9/23/1914

Mr. R. A. Falconer, Pres.,  
Toronto University,  
Toronto, Canada.

My dear Mr. Falconer:-

It was with regret that I received your letter stating that you do not feel able to accept an engagement for the month of October to address the Canadian Club of Cleveland.

I note, however, your willingness to come to Cleveland later on and shall certainly take advantage of this fact.

Assuring you that we are looking forward to having you with us sometime during the coming winter, I am,

Sincerely yours,

Stanley I. McMichael,

President.

SLM-H
